Guest Speaker – Abby Swaine of Environmental Protection Agency's Diesel Initiative EPA New England.

Ms. Swaine is based out of the EPA's Boston office and manages the SmartWay Transport Partnership. SmartWay started by EPA in 2004 in an effort to reduce emissions from transportation. The Transport Partnership fuel efficient freight movement will soon reach the 3,000 partner mark.

Phil Shaw is Logistics Manager of Osram Sylvania. He is based out of Hillsboro, NH. Thanks to Abby for "recruiting" Phil to provide a shipper partner's perspective. Thank you and welcome Phil.
